
OTR 75: The Original Underground Party; Come As You Were!

The countdown is on for **OTR 2026!**

Join us over Labor Day weekend for the 75th OTR, where we will reminisce on the last 75 years of OTR! The theme, you ask? **COME AS YOU WERE!** Choose your favorite themes, costumes, and decorations from OTRs past, and relive it. Caving at OTR: If you are planning on caving during OTR, be sure to let someone in camp know where you are going and when you expect to return. Please complete a **Caver Alert Information Sheet (CAIS)** before you go and leave it with your callout person; forms can be found at Registration and on the Information boards throughout the campground. If you go caving, please check the VAR Closed Cave list first to ensure that your destination is open: <https://tinyurl.com/closed-caves>. Note that White Nose Syndrome (WNS) continues to be a problem in the region, and many caves with significant bat population are closed because of it. Please practice proper cave gear disinfection procedures before and after caving.

Volunteers: OTR happens because of its many volunteers. We can always use help with many different tasks before, during, and after OTR. Some areas requiring help are Registration, Gate, First Aid, Sauna, Audio/Video, IT, Contests, daily shower cleaning, trash collection, Wild Side, Security, Cooters, and Brew Crew. If you are interested in helping in any of these areas, see the volunteer page on <https://otr.org/> or contact the Chair.
